**SUNIL RAMCHAND JOINS VT GROUP AS
PRESIDENT AND CHIEF GROWTH OFFICER**

*Defense Industry Leader to Serve on Executive Leadership Team
and Board of Directors*

Chantilly, VA, October 30, 2018: VT Group, a premier middle-market technology integrator and C4ISR solutions and services provider to the Federal government, is pleased to announce the appointment of Sunil Ramchand as President and Chief Growth Officer, and a member of its Board of Directors. Ramchand will take on responsibility for the strategic growth of the VT Group enterprise, to include both corporate and business development.

Ramchand is the former Chief Executive Officer of Mission Essential, a company he led from 2015 to 2018 and transformed into the global language and cultural advisory services leader, a trusted analytic and operational partner to the Intelligence Community, and an industry-leading provider of ISR information management solutions.

“I am pleased to welcome Sunil to VT Group,” said John Hassoun, President and CEO, VT Group. “His transformative leadership, strong business acumen, and deep industry expertise will be a catalyst to accelerate VT Group’s growth in new and existing markets.”

Prior to joining Mission Essential in 2009, Ramchand held both military and civilian leadership positions at the White House during the Administrations of Presidents Clinton, Bush, and Obama. He is a military veteran and seasoned Defense executive with policy, strategy, and acquisition experience. Ramchand served as an active duty naval surface warfare officer and later as a Defense Department civilian. He holds degrees from the U.S. Naval Academy and Harvard University, and is a Board member of the Navy League of the United States.
